The collective Production

London

About Me

- Senior Creative Producer with experience delivering high-impact documentaries, films, and global branded content.
- Skilled across the full production lifecycle: concept development, research, budgeting, scheduling, on-set coordination, and delivery.
- Strong track record in large-scale productions, award-winning shorts, and high-end commercial campaigns.
- Known for calm leadership, cross-department collaboration, and meticulous attention to detail in fast-paced environments.
- Passionate about creating culturally resonant stories and supporting both emerging talent and major global brands.

Work Experience

SENIOR CREATIVE PRODUCER/MD

COLLECTIVE PRODUCTIONS I 2013 - PRESENT

- **Led end-to-end development** of major documentaries including Breaking the Silence, Offside, Untold Story, and Quincy.
- Oversaw research, creative development, scheduling, budgeting, and full production delivery across multiple concurrent projects.
- **Produced multi-format campaigns for global brands** including Bentley, Nike, Puma, Ferrari, Samsung.
- Contributed to feature films such as Turbulence and Pandemonium across production and coordination departments.
- Managed cross-functional teams and streamlined production workflows to improve operational efficiency.
- Built strategic partnerships with Sony, Universal, Virgin, and Warner to support commercial growth.
- Led the design and launch of The Collective's website, aligning branding, UX, and creative functionality.

SENIOR PRODUCER

LOOK UP LOOK AROUND I 2021 - 2022

- **Generated £120,000 in new business within 8 weeks,** delivering multiple projects to tight deadlines.
- Built and managed relationships with global brands including Nike and Pepsi.
- Developed partnerships with leading agencies such as Keko and AKQA, securing repeat collaborations.
- Managed large-scale production teams of 50+ crew, overseeing scheduling, logistics, and on-set operations.
- Oversaw day-to-day company operations across finance, creative, and production functions.
- Implemented workflow improvements that enhanced team efficiency and communication.

SENIOR/EXECUTIVE PRODUCER / HEAD OF PRODUCTION

LUTI MEDIA I 2013 -2021

- Produced **award-winning** short film Ramona Flowers – Tokyo, securing 8 international awards.
- Delivered Rita Ora's £350k music video Poison with a 30% profit margin while maintaining high creative standards.
- Collaborated with leading directors including Meji Alabi, Colin Tilley, Camron Duddy, and Max & Dania.
- Managed end-to-end production pipelines from pre-production through to final delivery.
- Ensured alignment between creative vision and financial requirements across complex productions.
- Maintained Luti Media's reputation for premium-quality global entertainment output.

SETS COORDINATOR

ALTITUDE FILMS I 2024 - 2024

- Coordinated cross-department workflows across art, rigging, camera, lighting, SFX, stunts, and VFX.
- Managed full operation of the VFX stage from construction to ongoing maintenance.
- Ensured all stage elements aligned with the director's technical and creative requirements.
- Oversaw on-set health and safety compliance, including hot-work permits and structural safety checks.
- Coordinated with structural engineers to verify rigging and load safety across the stage.
- Ensured clear fire routes, safe equipment storage, and compliant handling of large structures.
- Managed team budget for overtime and additional days, keeping spending within scope.
- Maintained continuous communication with producers and line producers to keep production on schedule.
